CONTRACTOR: _____

PROJECTED START DATE: _____

PROJECTED COMPLETION DATE: _____

In making a future connection to an applicant for water service after the completion of the original water system of the Owner, according to Ordinance 571, the Owner shall charge a fee at least equal to the cost to the Owner for said connection and such fee may be adjusted, taking into consideration the average cost for the entire system to each water user, at the discretion of the Owner, but said fee shall in no event be less than Two Hundred Dollars (\$200.00).

Quote for all expenses per Public Works Director: _____

Customer's Duty Regarding Service Lines: The water's user's service pipe and all connections and fixtures attached thereto shall be subject to the inspection of the Owner before the water will be turned on, if the Owner so elects, and all properties receiving a supply of water and all service pipes, meters and fixtures, including any and all fixtures within any improvements or buildings on said properties, shall at all reasonable hours be subject to inspection by any duly authorized employee or agent of the Owner.

All service pipes shall be laid at all points at least forty-two (42) inches below the surface of the ground and shall be placed on firm and continuous earth so as to give unyielding and permanent support. They shall not be laid in sewer ditches. It shall be installed in the trench at least 18 inches in a horizontal direction, in undisturbed earth, from any other trench wherein are laid gas pipe, sewer pipe, or for other facility public or private. Such service line shall not pass through premises other than that to be supplied unless the Owner shall so agree in writing.

Water user shall, at his own cost and expense, make all changes in the service pipe required or rendered necessary on account of changes in the street grades, relocation of mains or other causes.

No fixture shall be attached to, or any branch made in, the service pipe between the main of the Owner and the meter.

Any repairs or maintenance necessary to the service pipe or any pipe or fixture in or upon the water user's premises shall be performed by the water user at his sole expense and risk.

Service pipes must be kept and maintained in good condition and free from all leaks, and for failure to do so the water supply may be discontinued.

The Owner shall in no event be liable for any damage done or inconvenience caused by reason of any break, leak or defect in, or by water escaping from service pipes, or from fixtures on the premises of the Owner or water user. The water user shall be billed in the usual manner for the cost of all such water according to the rate schedule of the Owner as provided for in these Rules and Regulations.

No One But Owner's Employee May Turn Water Off or On: No one but an employee or a person authorized by the Owner shall turn on water or shut off water to any water user or to any property, except in the case of escaping water.

Right to Inspect: Representatives of the Owner shall have the right at all reasonable hours to enter upon the water user's premises to read and test meters, inspect piping and to perform other duties for the maintenance and operation of service or to remove its meters and equipment upon discontinuance of service by the water user.

Piping Work to be Inspected: All piping work in connection with pipe and services connected with the Owner's main shall be submitted to the inspection of the Owner before such underground work is covered up. Whenever, the Owner determines that a job of plumbing is obviously defective, although not in direct violation, the Owner may require that it be corrected before the water will be turned on. The Owner may prescribe the type of materials and the standard of workmanship to be followed in enforcing this section.

I, _____, hereby declare that I have read and understand the information provided before me and furthermore, understand that City of Bland is not responsible for any liabilities on account of any damage to any person, firm or corporation due to any accident, element or other acts over which it has no control.
